## FIRE DEPARTMENT

180 STATE PARK DRIVE

BAY CITY, MI 48706

(989) 684-8504

FOR IMMEDIATE RELEASE:

Bangor Township Receives Lower Insurance Rating.

Bangor Township, MI – August 18th The Bangor Township Fire Department is pleased to announce that the Insurance Services Organization (ISO) has lowered the Township's fire risk rating from 5 to 4, which can lower insurance rates for both commercial and residential structures in Bangor Township. Homeowners and businesses are encouraged to contact their insurance representative for a premium review.

ISO ratings are based on communications, fire department, water supply, and community risk reduction. A tremendous amount of effort goes in to the site inspection from ISO, which takes several hours to complete.

A special thank you to the fine men and women of the Bangor Township Fire Department for assisting in making this rating change possible.

Contact Fire Chief Glenn with any questions at the number below.
