

Cost Recovery for Emergency Services Fee Schedule

The Township shall be authorized to collect fees for services according to the following schedule:

1. Motor Vehicle Fee. For each Township owned emergency motor vehicle used in providing emergency services the following charges shall apply.

<u>Apparatus</u>	<u>per hour</u>
Rescue	\$150.00
Engine	\$250.00
Aerial	\$300.00
Support Vehicle	\$100.00

2. Personnel Fee. Personnel cost (other than on-duty staff) will be charged at the average wage rate, including benefits, as determined by the Township Clerk. The average will be computed on an annual basis.
3. Vehicle Extrication Fee.
A charge of \$500.00 for motor vehicle accidents that require the use of specialized tools such as the Jaws of Life to free an entrapped patient or patients from their damaged vehicle.
4. Other Fees. Other fees shall include: the actual cost of any disposable supplies and materials used in providing an emergency service; the actual cost of renting or leasing any special equipment used in providing an emergency service; the replacement cost of any Township owned supplies and equipment damaged, lost or destroyed in providing an emergency service; the actual cost of any special consulting and technical services and/or laboratory costs incurred in providing an emergency service; the actual cost of any specialized services used in providing an emergency service; and, any actual costs incurred in preparing for, or evaluating an event subject to this ordinance.
5. Notwithstanding anything to the contrary in this subsection, so long as a Fire Operating Millage is collected on the tax roll, residential fires shall have no charge. A residential fire is a fire occurring on a parcel of land with either a single-family, two-family or three-family residence thereon within Bangor Township. This residential waiver shall be void and the Township shall retain the right to charge if the fire is due to an unpermitted bonfire or other illegal activity.
6. In the event that the total number of hours spent in providing an emergency service does not exceed one then there shall be no charge for the Township providing such emergency service.
7. Exemption. Emergency services provided to Township owned property shall be exempt from all of the charges authorized in this subsection.

8. All costs assessed pursuant to this Ordinance shall become due within thirty (30) calendar days of the date of the statement, unless an appeal is pending.
