CURBSIDE TRASH & RECYCLING

Weekly curbside trash and bi-weekly recycling collection in Bangor Charter Township is provided by Waste Management. Their number is 800-796-9696. Payment for this service is included on your winter tax bill as a special assessment and is required for all residential homes. Recycling schedules are available at the Township office and on our website at www.bangortownship.org.

The Township Board recently approved a 5 year contract with Waste Management (2024-2028). Part of this new contract includes a large green toter for all residents, which is scheduled to be delivered in September of 2023. If you currently lease a toter you will no longer have to pay for this separately as it will be included in the trash assessment on your winter tax bill.

The Township was able to secure two grants which will provide large toters for recycling to each residence. They are scheduled to be delivered the same time as the trash toters.

YARD WASTE: Yard waste is picked up by Waste Management beginning the third week of April through the second week of December each year. Remember to clearly label your containers **YARD WASTE** or use the paper bags for compost collection.

CHRISTMAS TREE PICK-UP: Waste Management will pick up your live Christmas tree the last week of December and first two weeks of January.

Kawkawlin, MI 48631-2511

BAY COUNTY ROAD COMMISSION

The Bay County Road Commission is in charge of all road plowing in Bangor Charter Township and works hard to provide acceptable driving conditions in a reasonable amount of time following winter storms. Their first priority is to clear roads most frequently traveled and those that have winter problem areas, such as bridges, railroad crossings, curves and signalized intersections.

To report a county road issue: www.baycoroad.org and click on the link "Report County Road Issues!"
