**Charter Township of Bangor
Fire Department Infrastructure Committee
March 14, 2024
4:30 p.m.**

PRESENT: Karie Wardynski, Mike Galloner, Mike Sarnowski, Tracy Koch, Ed Martin

K. Wardynski called the meeting to order at 4:31 p.m.

Moved by T. Koch, supported by M. Galloner, to approve the January 31, 2024, committee minutes as presented. Motion carried – All in favor.

M. Galloner presented an RFP for demolition services and the committee reviewed the proposal. Some questions arose concerning the County Noise Ordinance. K. Wardynski will look into that ordinance.

There was general discussion about the engineering RFPs. We want to plan enough bedrooms for potential additional fire fighters in the future. K. Wardynski will send M. Galloner some of the RFP samples received from engineering firms. They will work on preparing the engineering RFP before the next committee meeting.

The next meeting was set for May 7, 2024, at 4:00 p.m.

Being no further business, the Fire Department Infrastructure Committee Meeting adjourned at 4:58 p.m.
