

APPROVED

**Charter Township of Bangor
Public Works Committee
April 10, 2024
10:00 a.m.**

PRESENT: Karie Wardynski, Glenn Rowley, Diane Yaworski, DWS Representative Tim Fitzgerald, and Brad Gohr from New Adventure Development

K. Wardynski called the meeting to order at 10:00 a.m.

Moved by G. Rowley, supported by K. Wardynski, to approve the November 20, 2023, committee minutes as presented. Motion carried – All in favor.

The committee discussed a sanitary sewer installation along Killarney Beach Road. B. Gohr will be acquiring 9 acres of property and building 3 houses on Killarney Beach. He would like to have sewer service there instead of septic fields. The line would have to run approximately 1700 feet to Euclid Ave. The committee had concerns about Road Right of Way and the effect this will have on existing homes that would be required to connect. However, the Health Department much prefers sewer hook ups over septic fields when possible. T. Fitzgerald and B. Gohr will email Glenn some talking points for discussions with engineers. B. Gohr will make first contact with the other homeowners to gauge interest in sewer connections.

Moved by K. Wardynski, supported by D. Yaworski, to authorize Supervisor Rowley to collect some engineering bids for this project to possibly present to the Township Board. Motion carried – All in favor.

Being no further business, the Department of Public Works Committee Meeting adjourned at 10:18 a.m.
